March 13, 2020

Dear Valued Customer,

CCRL has been tracking the novel coronavirus (COVID-19) as it has evolved since early January and has been evaluating the impact it has had on both our customers and inspection staff. We will continue to monitor and evaluate the situation. However, with the virus now firmly established and the number of cases increasing in the U.S. we have made the decision to suspend all laboratory inspections in our program indefinitely beginning March 17, 2020. Please be assured that CCRL has not come to this decision lightly. If you have any questions or concerns regarding this decision, please contact Jan Prowell at 240-436-4800 or by email at ccrl@astm.org.

We will continue to monitor the situation and keep you, our valued customer, informed regarding renewal of inspections.

Sincerely,

Jan A. Prowell
